EDUCATION

Bachelor of Technology in Computer Science, GLA University, Mathura, 9.1 CPI	Present
Intermediate, Vidya Devi Jindal School, Kosi Kalan, 78.4%	May 2021
High School, Vidya Devi Jindal School, Kosi Kalan, 91.4%	May 2019

INTERNSHIP/TRAINING EXPERIENCE

The Angaar Batch <i>Java Mentor - Part Time</i>	Jun 2023 – Present
<ul style="list-style-type: none">Enabled 100+ students to acquire comprehensive Core Java knowledge, guiding through fundamental and advanced concepts such as OOPS.	
Job Oriented Value Added Course, GLA University, Mathura <i>Trainee</i>	Jun 2023 – Jul 2023
<ul style="list-style-type: none">Successfully finished competitive Java programming training at Coding Blocks, specializing in data structures and algorithms.Post completing the training, gained proficiency in core Java concepts and problem-solving skills through competitive programming challenges.	

PROJECTS

<u>Evently</u> Next JS-14, MongoDB, Clerk, Stripe, Tailwind CSS	Feb 2024
<ul style="list-style-type: none">Users can buy tickets for different events and manage events they've hosted, including updating and deleting them.Implemented a robust authentication system using Clerk and a secure payment gateway with Stripe.	
<u>Social Media App</u> MERN Stack, VS Code	Jan 2024
<ul style="list-style-type: none">Implemented JSON Web Tokens (JWT) to ensure secure user sessions.Used Bcrypt for securely storing user credentials with encryption.	
<u>Kisan Seva</u> Java, Android Studio, Machine Learning	Nov 2023
<ul style="list-style-type: none">Offers crop-specific guidance and treatment to optimize care for 10+ plant varieties.The app provides comprehensive access to a database containing 20+ crop diseases, symptoms, and treatment methods.	
<u>RickGo</u> Java, Android Studio	Apr 2023
<ul style="list-style-type: none">Developed an E-Rickshaw booking app using Java in Android Studio.Integrated Google Maps API for location tracking and navigation.Implemented university credentials-based login with database verification.	

SKILLS

Technical

C, Java, DSA, MySQL,
MERN Stack, Machine Learning,
Tailwind CSS, NextJs
Docker, Git.

Professional

Effective Communication Skills,
Ability identify and solve problems,
Time Management,
Quick Learner.

EXTRA/CO-CURRICULAR ACTIVITIES

- Runner up in Code-n-hunt, a coding event held by Code Busters club at GLAU.
- Participated in IBM ice day, intra college event held by GLAU..
- Certified as a MERN Stack developer by Cisco ThingQbator.

ACHIEVEMENTS

- Secured first place in GLA-Thon (2023), GLA University's intra-university hackathon, demonstrating problem-solving and collaboration skills.
- Secured second place in the GLA-Evolve 2023 Hackathon, a 24-hour competition where teams demonstrated technical skills and innovation.
- Attained a score of 90 marks in the NPTEL, IIT-KGP Introduction to Algorithm and Analysis course, ranking in the top 1% among participants.

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
